# "they served loyally alma mater"

- **robert allen armstrong**—able scholar, inspiring teacher, sympathetic friend, kindly gentleman.

- his service to west virginia as an educator, editor, and author, is unparalleled. armstrong published the first daily newspaper in harrison county, and for seventeen years he edited the west virginia school journal. he was once principal of west liberty state normal school, and for two years vice-president of the university, and also served as president of west virginia.

- he was a teacher of english and the departmental head under eleven of the thirteen university presidents. his dominant interest in life was the teaching of youth. the influence for good of dr. armstrong has been immeasurable.

●

- **cleveland mcsherry seibert** was born in berkeley county nov. 1, 1884. after attending a private military school, he entered west virginia university, to be graduated in law in 1904. while an undergraduate, seibert was a charter member of pi kappa alpha fraternity at west virginia. he first entered public life in 1909, being elected to the state legislature, distinguished by being the youngest member of the house. seibert served as mayor of martinsburg several terms.

- in june, 1929, he was appointed to the university board of governors by governor conley for a period of four years. in 1934, governor kump reappointed him for another four year term. seibert served faithfully, and as one who devoted a lifetime to the welfare of others, his equal will long be unfound in the portals of alma mater.

●

- though not a graduate of the university, **louis black**, however, devoted almost one-third of a century to the service of west virginia . . . for that we are appreciative . . . louis black—the pioneer of the music school . . . in 1898, he received his artist diploma from the new england conservatory of music . . . after extensive study and teaching on the continent, he returned to the united states . . . from 1909 until 1934 black was director of the school of music at alma mater . . . and it was under his tutelage that the department grew and prospered . . . he served as professor emeritus from 1934 until his death last year . . . "they rest from their labors and their works do follow them."

● serving as a common ground for meeting the various problems of the fraternities on the west virginia university campus, this organization, comprised of one representative from each member fraternity, performs regulatory duties in matters relating to rushing, pledging, and the initiation of men.

● this year a new constitution was devised.

● the pan-hellenic dance the first semester afforded terpsichorean toes an opportunity to tangle to the tingling tangoes of red nichols. the social committee put the bug on a second semester shin-dig. . . .

marshall "little sleepy" glenn  
head basketball coach

• the 1937 basketball campaign was to be the most brilliant of any in the history of the mountaineer institution . . . "sleepy" glenn had barna . . . and "squint" phares . . . and jack gocke . . . veterans of former wars . . . and "sleepy" also had coming up from last year's sensational freshman team . . . "dribble" lothes . . . and stan d'orazio. yes, the west virginia hardwood demons were to be hot!

• then old lady fate interceded with the proverbial five fickle fingers . . . and "babe" barna . . . in the last minute of the george washington football game . . . received a broken ankle . . . question: who would "sleepy" find for the center position? . . . what to do? . . . mountaineer basketball stock sank to a new low . . . for without a big center—we just "never had a chance" . . .

• then from out of nowhere came a dark horse . . . a veritable flash . . . and only a sophomore—fisher was the name . . . and he fitted in pretty

swell at forward with stan d'orazio . . . gocke took over the center post . . . and phares and lothes were the flashiest pair of guards to cavort around the field house hardwoods for many a moon. . . .

● it looked like a pretty keen set-up . . . and the opening game of the season against waynesburg found "sleepy's" prodigies pile up a 42-35 victory . . . with plenty to spare . . . and with plenty on the ball . . . the next victim was a strong marietta five who succumbed to a 42-29 licking . . . yep! the boys were living up to predictions of the prognosticators. . . .

● the team slipped on the next one, and dropped a tough 32-34 contest to akron . . . in several overtime periods . . . but they came right back against west virginia wesleyan, whipping the old state rivals 63-42, and later spilling georgetown to the tune of 41-32 . . . well, sir, four wins in the first five starts wasn't bad . . . nope . . . especially against those tough babies. . . .

● then came the dawn . . . or something! . . . the team lost to salem, 21-27 . . . carnegie tech made it two in a row, 37-46 . . . penn state upset the dope sheets by pinning a 28-21 loss on us . . . then, as a last straw, pitt, friendly enemy that it is, whipped us 44-36.

● something was wrong . . . the powerhouse was on the downhill drag . . . and sliding fast . . . pleas of the fans . . . efforts of the individual players . . . coaxing of all concerned availed naught . . . because what happened? . . . the losing streak extended five additional consecutive games . . . to constitute the longest slump experienced by a west virginia team in a decade. . . .

• then the prodigal son returned to the fold . . . babe barna recovered enough to play . . . and the long streak of something-or-other ended: we trounced penn state 36-31 . . . eureka . . . aha! . . . but then george washington put the bug on us, 33-39 . . . we retaliated by gaining wins over w. and j.; wesleyan . . . marietta . . . duquesne . . . temple . . . most of them by big scores . . . of course, something'd happen at the last moment, and we lost another tough one to pitt, 49-39. . . .

• potentially, this team should have been the greatest that mountaineer fans have seen in years . . . but that unexplainable something went amiss . . . bad breaks . . . oh, lots of things . . . but—winning or losing, "sleepy's" boys fought . . . always fought . . . and in numerous instances, it was only that west virginia spirit that kept them in the win colmun. . . .

• jack gocke . . . the red-headed scoring sensation . . . topped all university scoring records . . . and established himself as a mountaineer immortal by even surpassing that mark of sleepy's . . . and eddie cubbon . . . and joe stydahr . . . "squint" phares performed as to elicit praise of sport writers to the effect that he was the greatest all-around basketball player in the history of west virginia . . . gocke topped all scorers in the eastern intercollegiate conference . . . and phares was third in position. . . .

• squad members included . . . john mc cue . . . gilmore . . . condry . . . heiskell . . . fisher . . . meranda . . . lothes . . . marcus . . . barna . . . d'orazio . . . phares . . . gocke . . . william beall, '38, was manager . . . of the really great 1937 basketball team. . . .

dean of track coaches

considered by many as one of the outstanding track coaches in the country, art smith, former olympic instructor, has led the destinies of west virginia track teams for more than a decade . . . his greatest asset is ability to take raw material and develop finished stars . . . art smith—the humorous . . . the likeable . . . a real mountaineer. . . .

• the 1936 track season saw numerous individual stars . . . including the spectacular barney gedwallis . . . phil baer . . . ken riskey . . . harry hogue . . . patsy slate . . . gene hester . . . dave issac . . . kelly moan . . . and others. . . .

• three major meets were scheduled . . . and the smith mountain men came out on the short end of all . . . against penn state . . . west virginia lost 72 to 54 . . . pitt crashed through with a 76 to 50 victory, and temple scored an 81 to 45 win. . . .

• captain barney gedwallis . . . the greatest distance runner in the history of the university was undefeated in the mile and two mile runs . . . setting west virginia records in both events . . . phil baer . . . captain of the 1937 team broke the university pole vault mark . . . and ken riskey set new times in both hurdle events. . . .

• mason . . . dawson . . . mc queen . . . and, of course, gedwallis . . . in the distances . . . hester . . . moan in the high jumps . . . bill simpson and baer in the pole vault . . . slate in the shot put . . . frantz . . . issac in the broad jump . . . and hogue . . . issac in dashes . . . scored consistent points throughout the season . . . plenty of individual man-power . . . but not too much mass production. . . .

# athenaeum

---

- in september, 1887, the first copy of the athenaeum was published with u. s. grant pitzer as the first editor. it was planned to put out an issue every two weeks and the printing was done by julian fleming, proprietor of the new dominion steam printing house.
- in order to "promote the literary taste of the students; to narrate college events; to keep alumni interested in their alma mater, and to express the life growth and attainments of the university," c. w. waddell and a. w. smith took over the editorship in 1899, publishing the paper every first and third saturday of each month.
- with the issue of september, 1901, the athenaeum was changed into a weekly paper, "devoted chiefly to the local news of the university and personal items about its students, friends, and teachers." the paper became a semi-weekly publication in 1921, appearing every tuesday and friday, and in 1923 it appeared as a tri-weekly publication, coming out every tuesday, thursday, and saturday.
- in march, 1926, at a mass meeting, the student body voted in favor of an increase in fees to cover the cost of publishing the paper five times a week, but it was not until 1933 that the daily athenaeum was an actuality. it now appears in tabloid form every morning except sunday and monday.
- the first editor-in-chief of the daily was harry j. marker; robert shaffer was managing editor and william smith, business manager.

# • sphinx

- the early history of sphinx is found to be somewhat hazy. around a quarter of a century ago men student leaders founded what was to become in later years, the most active group on the campus. it is believed that the group was founded as a senior men's honorary. the exact activities of the group during the early years cannot be definitely determined, but it is thought that the term "honorary" was interpreted literally and the membership was bestowed upon a student leader, after he had distinguished himself in some campus activity. if this was not the idea originally, it became such in succeeding years. about the only activity participated in by sphinx, until some five years ago, was the annual sphinx dance, a highlight of the yearly social calendar.
- in later years sphinx men were not want to sit idly by after having such an honor bestowed upon them; being active is being alive, seemed to them to be a desirable maxim to adopt. therefore, about five years ago we find the group undergoing a radical change. the organization no longer would give the student leaders membership as an honor, but would build student leaders by making its membership a case of organized campus activity.
- during the fall of each year, sphinx plans a homecoming program during the football season. for this event the organization sponsors a parade and the decoration of all fraternity and sorority houses. two years ago sphinx introduced the first inter-fraternity sing to be held on the campus. this sing came as the climax of the annual link day ceremonies and aroused comment of a favorable nature to the extent that it will easily establish itself as one of the most beautiful of sphinx traditions.
- sphinx has carved for itself the distinction of being the most active group on the campus. the organization adopts as its aims: sponsoring and maintaining campus traditions and fostering the well being and interest of freshmen.

# • home economics club

•

• in order to stimulate interest in the various divisions of the college of agriculture for women the home economics club was organized some years ago to develop leadership and cooperation within the groups. speakers of different phases have been obtained for the meetings which are held once each month either at moore or oglebay halls. these speakers give the members a direct application of their major subjects with the advantages and disadvantages of each.

• any student majoring in home economics is eligible for membership in the club and each year before the official opening of the organization, the officers plan and conduct a membership campaign with a representative from each of the four classes to assist. the representative who obtains the greatest number of members receives a gift at the first meeting, which is always a party in honor of freshman students. the cabinet of the club is the hostess for this meeting while the following meetings are conducted by the various members.

• the largest project each year is the serving and entertaining of guests during "farm and home week." the yearly program also includes a charity meeting at which time sewing for the red cross is done.

**fourth row:** a. antalis; l. veach; w. leslie; w. marlow.

- the date of conception of alpha epsilon delta was april 28, 1925; when, according to an old historian's book, fifteen leading pre-medical students, under the leadership of dr. jack p. montgomery, met in toumey hall at the university of alabama, to discuss the writing of a constitution.
- since 1926, chapters have been installed at howard college, birmingham, alabama; university of south carolina; university of texas; baylor university; university of florida; university of georgia; west virginia university and alabama polytechnical institute.
- as a result of much work on the part of a few students and of the zealous efforts of dr. a. l. darby, epsilon alpha chapter of alpha epsilon delta was established at west virginia university, may 30, 1931.
- the fraternity attempts to incorporate the motives and ideals of the pre-medical students and to anticipate in a degree the nature of medical activities. it provides a goal toward which pre-medical students may work and it serves as recognition for work well done.

- alpha zeta fraternity was founded at ohio state university in 1897. it is the oldest and best known agriculture honorary fraternity in the country. west virginia chapter was chartered in 1922, and since that time has been the only honorary fraternity in agriculture on the campus. there are now forty-two chapters located at forty-two land grant colleges in the united states.

- alpha zeta has as its purpose, the development of the farm and the farm home, particularly in the state where a chapter is located, through an organization controlled by agricultural students. it is advised by an agricultural faculty, and stimulated by the bonds of fraternity around a membership chosen after an earnest agricultural motive and an executive ability have been demonstrated.

- in considering any candidate for membership, consideration is given to scholarship, leadership, and character.
